**Re: Telrite Corporation and i-wireless LLC Notice of *Ex Parte*
Presentation; WC Docket Nos. 11-42, 03-109, CC Docket No. 96-45**

Dear Ms. Dortch:

On Wednesday, July 24, 2013, Brian Lisle from Telrite Corporation, John Willis from i-wireless LLC, Chuck Campbell, Kevin Murphy and Alex Rodriguez from CGM, LLC and John Heitmann and Joshua Guyan from Kelley Drye & Warren LLP met with Jonathan Lechter and Anita Patankar-Stoll from the Wireline Competition Bureau to discuss the development and implementation of the National Lifeline Accountability Database ("NLAD").

During the meeting we discussed suggestions for operating parameters for the NLAD, including real-time benefit transfers and "velocity checks" such as prohibiting Lifeline customers from switching their eligible telecommunications carrier ("ETC") for 60-days after enrollment to avoid allowing end users to take advantage of ETCs and the Low-Income Fund. We also discussed the appropriate address and identity verification methods, including an exceptions process to incorporate viewing documents like utility bills to demonstrate address and photo and other identification credentials to demonstrate identity.
